Special thanks goes to the referee administration. Due to all the hard work of Dick Triche and Janice, all the games were covered. I had many compliments on the quality of refereeing.

Frieda Stockton from RRWSL did a superb job of coordinating all aspects of the tournament. Thanks to the hard work of Tama Theis, all games were covered with commissioners. Thanks to Claudella Wright for providing the check-in commissioners on Friday night and being my right hand person. The venue was great with nice fields and nice facilities. The rain on Friday made the fields a little wet, but by Sunday, they were great. Round Rock has the most wonderful park personnel. Anytime we needed something, they would respond within 30 minutes. I would like to thank all the volunteers who helped with the commissioning. A special thanks goes to Dawn Clopton, our onsite EMT. She was a great help with all the minor injuries we had during the weekend. I appreciate the commissioners who filled in whenever

**someone was going to be late to their game or who did not show up at all. Without hard working volunteers, the State Cup could not be the success that it is. You are all wonderful.**

**It is a shame that Round Rock wants to take a break from hosting. I know that everyone was satisfied with the fields, hotels, and general area.**

**And last, but not least, I would like to thank the teams. Even though the rain on Friday made the fields muddy with standing water, everyone played the games without complaint.**

**Thanks again ladies, you are the best!**
